This table is designed as a guide only, and is intended primarily to assist new students in selecting appropriate classes. Students who danced with us in the previous year will generally progress to the next Ballet level shown in the chart until Gr 6 Ballet, when it is usual for students to spend 2 years at each level.

For any students who require advice beyond this guide, The Perth School of Ballet will contact families directly to provide personalised placement guidance and ensure each dancer is enrolled at the most suitable level.
