**Thanks for your cooperation!**

We understand that this is a lot to take in. But we are certain your child will love the experience of being part of our Junior Concert. They learn what it's like to be part of a large production and they are always amazed to see (and be part of) the end result. Though it can be hard work for everyone (not the least – for parents!) the consensus is usually that it was worth it in the end.

If you have any questions or concerns, please speak to your child's teacher. We will endeavour to help you sort out any issues to ensure a smooth running of our concert – for your child and for us!

Yours in dancing,

***Simone Jackson-Pike, Janine Ban, Kathryn Harris & Janine Lindsay***
