CLASS LEVELS

Beginner Ballet

for the complete beginner who has no dance experience, or for those who want to go back to basics.

Intermediate Ballet

for the dancer who has accomplished the basics and is ready to move on.

Contemporary, Body Conditioning & Pre-Pointe/Pointe open to all levels.

The Perth School of Ballet Adult Program is designed to provide tuition for adults who are new to dance, as well as those returning to classes after a break, or those who dance regularly and are looking to add another class to their schedule.

You are welcome to wear clothing that you are comfortable in and can move in, whether it's leggings and a T-shirt or tights and a leotard.

For footwear, we recommend ballet shoes for Ballet (or socks while you get started).

Pointe classes start in bare feet and ballet shoes until the teacher instructs you to advance to pointe shoes.

Bare feet are required for Body Conditioning and Contemporary classes.
