# Dances from The Wizard of Oz

7 & 8 NOVEMBER

MARIST AUDITORIUM, NEWMAN COLLEGE

# WELCOME TO “DANCES FROM THE WIZARD OF OZ”

Somewhere over the rainbow, adventure awaits!

Join us as we follow Dorothy on a whirlwind journey to the magical Land of Oz. Swept up by a tornado and dropped into a world of glittering shoes, adorable munchkins, and dancing poppies, Dorothy soon discovers she's not alone. Along the yellow brick road she meets the Scarecrow, the Tin Man, and the Lion, each in search of something they didn't know they already had.

Our Junior dancers tell this beloved story through movement, music, and imagination — from the swirling storm that carries Dorothy away, to the sparkle of Emerald City, to the joy of finding her way back home.

With every leap, twirl, and click of those famous red shoes, they remind us that courage, love, and friendship shine brightest when shared... and that there's truly no place like home.

# A NOTE FROM THE DIRECTORS

Welcome to The Perth School of Ballet's Junior Concert for 2025.

This year, we are delighted to present Dances from The Wizard of Oz, a story of courage, friendship, and finding one's way home — themes that feel especially meaningful for us this year.

It has been a time of both challenge and growth for our school community. As many of you know, one of our directors, Simone, has recently experienced a great personal loss with the passing of her husband Brandon, and we would like to express our heartfelt gratitude for the kindness, understanding, and support shown by our wonderful families, students, and staff. Your compassion has reminded us of the strength and warmth that make our school such a special place.

Our dancers have worked with remarkable spirit and dedication to bring this production to life. From the youngest students to our most experienced performers, they have embraced every rehearsal with joy, teamwork, and creativity. Watching them grow both as dancers and as people, has been truly inspiring.

We are deeply thankful to our incredible teachers and staff for their continued passion and commitment, and to our families for their encouragement and trust throughout the year.

We hope today's performance fills your hearts with the same sense of wonder and hope that Dances from The Wizard of Oz has brought to generations — and reminds us all that, no matter the path, there's truly no place like home.

With love and gratitude,

Janine Ban, Simone Jackson-Pike & Janine Lindsay

# GET INVOLVED!

## PSB PROFESSIONAL TRAINING PROGRAM – PART TIME & FULL TIME

The Perth School of Ballet's Professional Training Program (PTP) is one of Australia's leading pre-professional dance pathways, designed for students with the passion, discipline, and drive to pursue a career in dance.

With decades of experience, international alumni success, and a faculty of expert instructors, our program offers the highest standard of training in a supportive, artistically rich environment.

We offer both Full-Time and Part-Time training options to suit the needs and goals of individual students, combining rigorous technical development with performance, choreography, coaching, and wellbeing support.

Open to all Perth dancers aged 7 and up.

Join us for the Summer Ballet Intensive — a world-class training experience running from 19–23 January 2026 in Perth, Western Australia. With an exceptional lineup of coaches, students will be trained and inspired by some of the best in the industry.

Bookings via Trybooking opening soon!

## PROFESSIONAL DANCE & FAMILY PHOTOGRAPHY

For more than 25 years in Australia and the US, we've had the joy of creating images of dancers and families in the studio, on stage, and out in the world.

Karen's 30 years as a professional dancer and teacher, combined with John's decades behind the camera, shape the way we see movement, connection, and emotion.

From dance portfolios and headshots to family portraits and those special "just because" moments, our work is about celebrating the people and stories that make each image unique.
